

HEERA FASHION

— *SINCE 2012* —

HEERA FASHION

ANDROID APPLICATION

ACKNOWLEDGEMENT:-

- The success and outcome of this project required a lot of guidance and assistance from many people and I am extremely privileged to have got this all along the completion of the project. All that I have done is only due to such supervision and assistance and I would not forget to thank them.
- I respect and thank Professor Chaitali Pandya, for providing me with an opportunity to do the project work at P.D.Pandya Collage of Computer Application and for giving us all support and guidance which made me complete the project duly. I am extremely thankful to Professor Arpita Pandya for providing such nice support and guidance, although he had a busy schedule managing corporate affairs.
- I owe my deep gratitude to our project guide Professor Kajal Pandya, who took a keen interest in our project work and guided us all along, till the completion of our project work by providing all the necessary information for developing a good system.
- Last but not least we are also thankful to our friends, project partners, colleagues, and parents for the support and understanding they provided us during the project work. We are also very much thankful to all who directly or indirectly helped us.

INDEX

1.	PROJECT DESCRIPTION.....	(1)
2.	SCREEN LAYOUT.....	(02-14)
2.1	USER LAYOUT.....	(02-10)
2.2	ADMIN LAYOUT.....	(11-14)

PROJECT DESCRIPTION:-

- In this project I will make an Android application for Heera fashion.
- This application is for both admin and customer both side use.
- This application is mainly created for B2B (Business to Business) transactions.
- In this application customers can view products and place orders.

USER SIDE (MAIN PAGE):-

USER SIDE (REGISTRATION PANEL 1.o):-

Required

Required 0/16

Required

Required

USER SIDE(REGISTRATION PANEL 1.1):-

The registration form consists of the following elements:

- Name**: A text input field with a red "Required" label below it.
- Address1**: A text input field with a red "Required" label below it.
- Address2**: A text input field with a red "Required" label below it.
- Address3**: A text input field.
- Address4**: A text input field.
- Address5**: A text input field.
- Phone Number**: A text input field with a red "Required" label below it and a character count "0/10" to its right.
- Register**: A black button with white text.

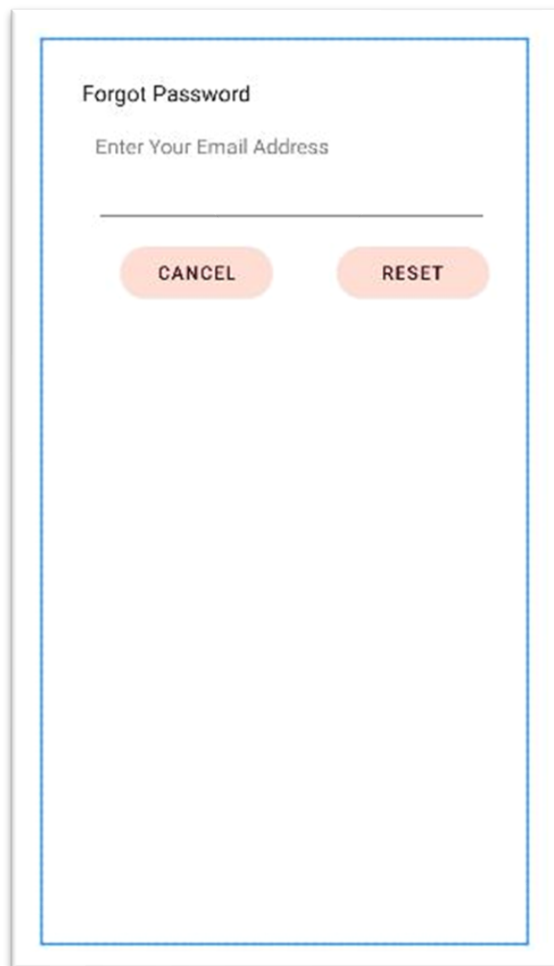

USER SIDE(LOGIN PANEL):-

The image shows a user login panel with the following elements:

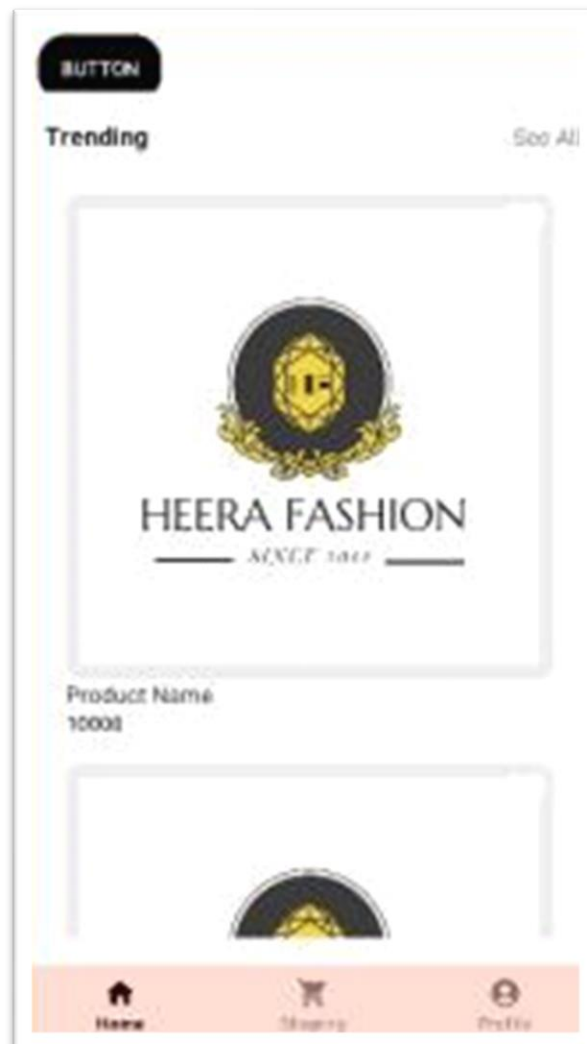

- Email Input:** A text input field with the placeholder text "Email". Below it, the word "Required" is written in red.
- Password Input:** A text input field with the placeholder text "Password". To the right of the field is an eye icon for toggling visibility. Below the field, the word "Required" is written in red, and the character count "0/16" is displayed on the right.
- Forgot Password Link:** A link labeled "Forgot Password?." located below the password field.
- Login Button:** A large, black, rounded rectangular button with the text "Login" in white, centered below the input fields.

USER SIDE(FORGOT PASSWORD PANEL):-

The image shows a mobile app screen for the 'Forgot Password' feature. The screen has a white background with a blue border. At the top, the text 'Forgot Password' is displayed in a bold, black font. Below it, the instruction 'Enter Your Email Address' is shown in a smaller, gray font. A horizontal line separates the text from the input area. At the bottom of the input area, there are two orange buttons with rounded corners: 'CANCEL' on the left and 'RESET' on the right. The buttons have a slight shadow and are positioned side-by-side.

USER SIDE(HOME PANEL):-

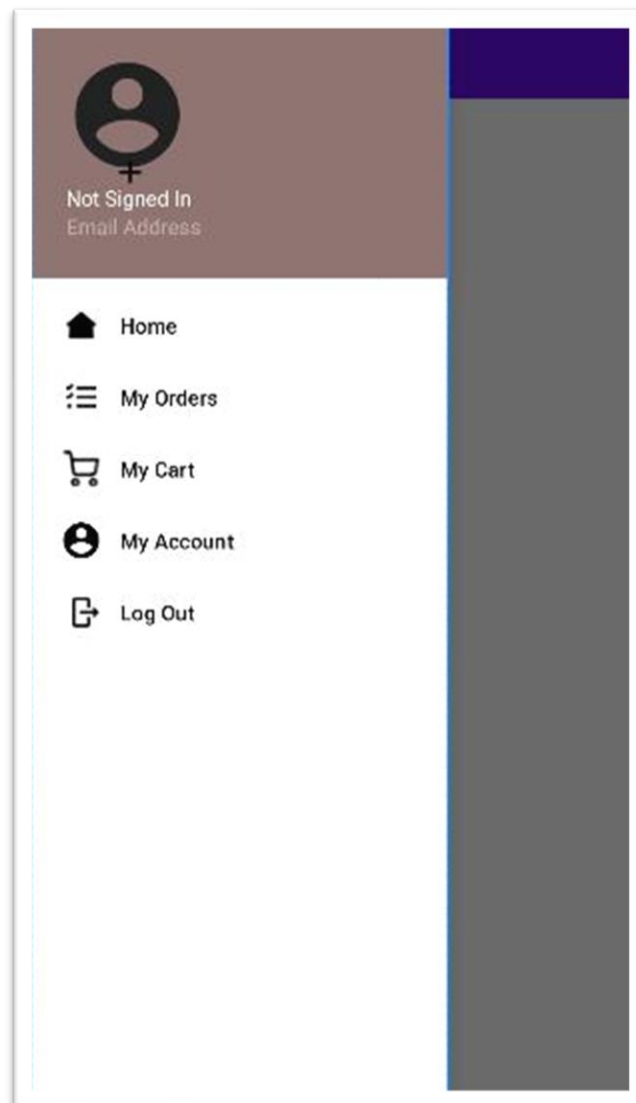

USER SIDE(DETAIL PRODUCT PANEL):-

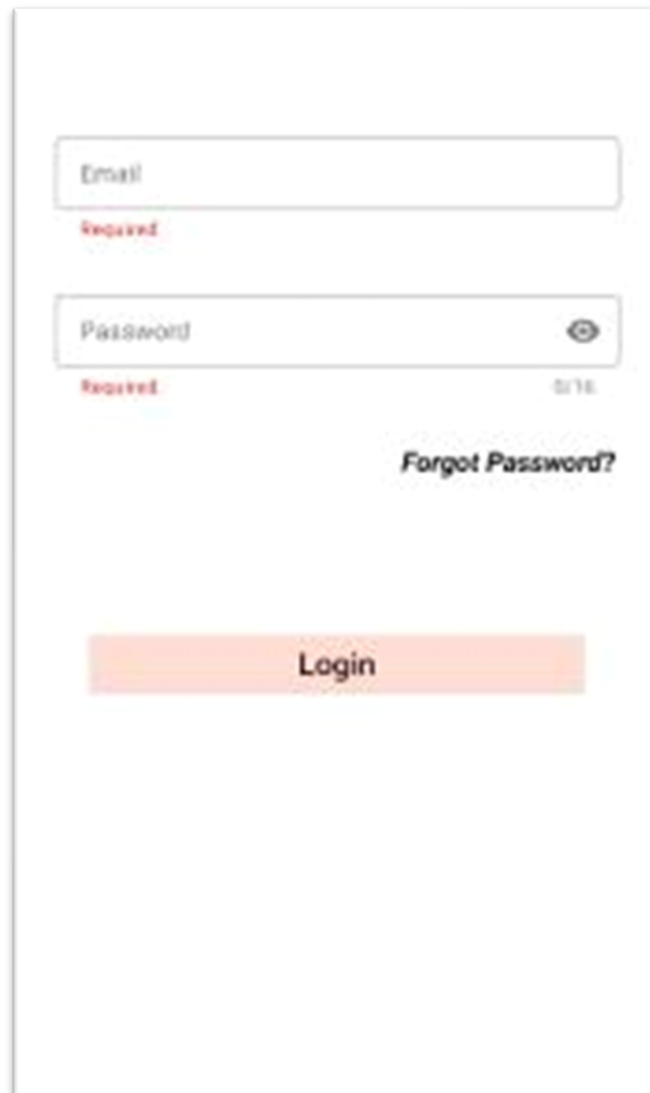

USER SIDE(SHOPPING CART PANEL):-

USER SIDE(PROFILE PANEL):-

ADMIN SIDE(LOGIN PANEL):-

The image shows a login panel for an admin side. It features two input fields: 'Email' and 'Password'. Below the 'Email' field is a red 'Required' label. Below the 'Password' field is a red 'Required' label and a small eye icon for toggling password visibility. To the right of the password field is a '0/16' character count. Below the password field is a link that says 'Forgot Password?'. At the bottom of the panel is a large orange 'Login' button.
